*Mission Catering*  
AT SANTA CLARA UNIVERSITY

*thank you for choosing mission catering at  
santa clara university*

For the past decade we have been pleased to serve the Santa Clara campus community with food that is alive with flavor, nutrition, prepared from scratch, and using authentic ingredients.

The Contractor Exclusivity policies set by Santa Clara University allow for outside catering options when under \$200. While smaller events have smaller budgets they often still require plenty of planning and not everyone has time to organize or coordinate menus. Mission Catering would like to help you by presenting this supplement to our catering guide to highlight a few of our popular items that will be useful when planning your next event. These items may be ordered directly online at:

### **Under \$200 Menu Guidelines**

We have provided suggested guest counts as a guideline to indicate how many people may be served for under \$200. All prices and guests counts assume the added sales tax and catering service fee.

Please be sure to mention this menu if ordering by phone (all items are available to order online).

Remember to review our full Mission Catering guide for additional menu ideas. Consider our Express Catering Service for quick, casual event solutions to go.

*we look forward to working with you!*
